

**Winston Center for the Arts  
Invites you to “Take A Seat”**

The Winston Center for the Arts is raising funds by inviting our families and friends to purchase a seat for our brand new auditorium. Opening soon, the Center for the Arts will elevate the performance venues for all of our performing arts students – drama, band, choral – as well as provide exhibit space for our 3D and 2D visual arts students to share their art.

As a “Take A Seat” sponsor of a new seat – or block of seats – you will become a part of the history and vibrant future of the Winston Center for the Arts and our community. Every time you come to a performance and “take a seat”, you will know it was your donation that helped to make that event a reality for our students and the wider community.

There are two easy ways to join our “Take A Seat” campaign. Go online to the “Donate” page of The Winston School ([www.winston-school.org/donate](http://www.winston-school.org/donate)) or mail a check to our address below, Attn: Laura Barnes, Director of Development.

**Donation Levels:**

**Orchestra Row: \$5000 (ten seats)**

**Orchestra Seat: \$500 (per seat)**

**House Row: \$2500 (ten seats)**

**House Seat: \$250 (per seat)**

**Folding Chairs: \$150 apiece (for sellout crowds!)**

Naming a theatre seat in someone’s honor would make a perfect gift!
